Spaghetti Supper

The spaghetti supper date was set for November fourth and the fruit cake sale will be held at the regular meeting of St. Philip's Altar Society Tuesday night.

Mrs. Nick Paff, chairman of the spaghetti supper, named the committee. The supper will be held at the Belle Glade American Legion Hall, November fourth, and serving will start at six o'clock.

The fruit cake sale which was so successful last season, will be held again this year with Mrs. R. E. Muller and Mrs. R. E. Cameron as co-chairmen. Orders are being taken now for Thanksgiving delivery.

Mrs. Imogene, program chairman, outlined plans for program study which will be part of the regular meetings. A closed retreat for Catholic women will be held at Rosarian Academy in West Palm Beach November 18th through 21st, with Fr. Gerald S. J. as retreat master.

The National Council of Catholic Women will meet at the school on the 26th. Mrs. E. A. McCabe is in charge of the event, which must be made by October 21st.

The meeting was held at the home of the president, Mrs. Charles Fontaine, and members present were: Margaret J. A. Pipe, Don Clarke, Elizabeth Paff, J. A. Murphy, Carl Lockmiller, Walter Taylor, Nick Paff, Vernon Dexter, August Kirschman, J. A. Tait, R. A. Cameron, E. A. McCabe, Peter LaChance, Joe Ziemann, Imogene Fontaine and Mary Fox.

will be given a souvenir. The parents will be at the elementary school grounds.

On Friday night at 8 p. m. just prior to the Belle Glade-Secret football game, a display of cars and farm equipment will be at the football stadium. Something new and novel has been planned in the presentation of this showing, which should be of special interest to the men attending the

game. On carnival night these same vehicles will be on display at a reserved section near the cafeteria.

There will be something for the small fry, the teen-agers and the young-in-heart. The teen-agers won't be swinging and swaying with Sammy Kaye, but it is rumored they may be doing the Mambo to the tunes of a popular local orchestra.

Mrs. Guy Waters, in charge of the dances to be held in the elementary school auditorium, stresses the fact that the "dolls and dolls" would come in blue jeans or like apparel and not in gowns by Dior. The teen-agers will find the Elys club running a special booth just for them. This will replace the Dutch auction of other years.

New features include a Duck pond under the direction of Mrs. G. L. Connell, a snow ball booth with Mrs. H. C. Van Landingham in charge, tractor rides, pop corn vendors with Mrs. E. M. Van Landingham and her Sister Patrol boys and a special surprise snow put on by the Rotary club.

The following old favorites will be in evidence: balloons, Mrs. E. Muller; archery, Mr. Julian Griggs; candy, B.P.W. Club; and Girl Scouts; and drinks, Mrs. Russell Tucker; fire truck, fire department; fish pond, Mrs. John Waters; burger wagon, Mr. S. Williams; and Mrs. Ted Roman; house of horrors, Lions club; movies, Belle Glade High school; girl physical ed. group; ring-a-

pin, Mrs. John Hooker; fortune teller, Mrs. Henry Blum; auto advertising, Mrs. Ralph Kirk; hot dogs, Glee club.

The booths erected under the direction of David Motes will be ready for decorating on the morning of the 30th.

The streets around the school will be blocked off to traffic. Cars should be parked to the rear of the football field. Attendees on duty will see that the cars are parked so one may leave at any time.

Anyone who has not already been contacted for donations

and who wishes to help out in this worthy cause should call Mrs. Mison at 2453 or Mrs. Walter H. Thames, Jr., at 3116. Donations of any kind — money — food — "white elephants" — will be gratefully accepted.

The Hallowe'en Carnival is the only money making affair the PTA sponsors each year. The revenue obtained through this venture will go to a project which, though not yet announced, if it becomes a reality, will benefit not only the children in the schools but the community as a whole.

Most everybody at some time claims he'd like to chuck his job and sit on the edge of a pond or stream, dangling an unbailed hook in the water. But most folks who have nothing to do, soon quit doing anything, and return to their ancestors, as the Indians say.

When you're working, the job experts say, you ought to enjoy your job. If you don't, the job just isn't the one for you. Choose some kind of work that you enjoy and the chores will go easier. You'll get more happiness from it, and the result to your health is better than a double shot of vitamins. Add up your talents, choose the job you want to do and can do... and your chances of success are "best by far."

When you like your job and you do it well, you're going places. And you won't be just trying to get away from it all.

Any parent who has tried to get a family on schedule will sympathize with the local housewife who said, "Mealtime is the time children sit down to discontinue eating." Too many people are in caring for their health care, and put off seeing their doctor. The best first step in caring for your health is to see your doctor promptly.

The second and most important step is to get a prompt prescription service. See us for that important second step... fast, accurate prescription service.

## Outdoor Florida

By HERB MOSHER  
Dove hunting season opened Monday, Oct. 11, so it's mean to shoot doves. Hunters ought to be ashamed of themselves for letting these peaceful birds have it. Maybe so. And then, again, maybe not. Let's see what the biologists, the scientists, have to say about the open season on the mourning doves in Florida, each autumn.

"Accumulated recovery records (from banding) over many years indicate that the dove is short lived, that seventy to eighty percent die within the first year, that approximately fifty percent die within the first ninety days after banding."

"To the question, 'What effect has hunting on the Mourning Dove?' probably the most accurate brief answer is: 'With our present regulations . . . none.'"

" . . . the total volume of kill due to hunting action would not exceed four percent of the total population. This four percent could be doled out or tripped to allow for illegal kill and non-return of bands, and the resultant total still would remain a very small percent to account to the gun."

"Even if an entire hunting kill of four percent were concentrated within the first ninety days that would be insignificant compared to the mortality toll due to natural causes."

"Therefore, during a period of peak population, within a

ninety day interval, fifty percent of the doves will die, regardless of whether they are left to die, unharvested, or are taken by the hunter limited by our present regulations."

"It is believed that it may be assumed safely that the peak population for all doves in the country is reached sometime in late summer (toward the end of the nesting season). This places the time approximately that the greatest number of doves, regardless of geographic location, will be dying from natural causes during the months of September, October and November are the months during which the bulk of the hunting seasons are placed. Therefore, hunting toll at this time would be least significant to the overall dove population."

"It therefore can be concluded that, with our present regulations, hunting activity does not just 'not harm' the dove, it actually makes no difference to the dove; that furthermore, the earlier the hunting season can be set, the greater the take which can be allowed without reducing the spring breeding population. Therefore, a gradual relaxation of regulations . . . This is from the 86-page book, 'The Mourning Dove in Florida,' by Frank A. Winston. It was published by the Florida Game and Fresh Water Fish Commission. Pittman-Roberts Projects, 1954.

Florida Audubon Society Resolution, (which speaks for itself). Whereas that lies in Hernando county, within the Chieftess Hill Sanctuary, a 600 acre tract pine land given to the Federal Government for the purpose of establishing a Forest Preserve and Whereas this tract contains a considerable number of large trees remaining from one of the last virgin stands, and Whereas if these trees should ever be destroyed by design or accident, they could not be replaced for centuries, therefore be it RESOLVED that steps be taken to establish a Raymond Robins Memorial Forest to ensure that this stand of pines, already belonging to the Federal Government, be given to the Government to be preserved, shall be so preserved forever."

A team of fifteen sports fishermen — all members of the Tropical Fishing Club of New York — from points as distant as Canada and Cuba has formally accepted the challenge issued by a fifteen-man team of anglers from Puerto Rico to compete in the first International Puerto Rico Game-Fish Tournament in the waters adjacent to San Juan harbor. The four-day tourney is scheduled to get under way October 12, according to the Puerto Rico Visitor Bureau, which will direct the match. Present plans are to feature tropical game fish, especially mahi mahi, marlin, sailfin and Allion tuna.

## HI SCHOOL NEWS

**Faculty Meeting**  
Walter Mosley and Harry McDonald were chosen to represent the Lions Club and Bobby Joe Thomas and Franklin Jones to represent the Rotary Club at a faculty meeting called last week by Mr. Hobson.

The group also discussed school traffic, and reports were made that speed laws are being strictly enforced and that students have been cautioned about reckless driving.

It was decided that the Student Council would plan assembly programs every other Thursday and also that there would be no excused tardy except for the first period.

Cecil Bair gave a demonstration of different fire extinguishers, for the class-room, science department and for school buses. Fire drills were also discussed and the first one was held last week.

**Library Hi-Lights**  
About fifty books have been sent from the library to be rebound according to Mrs. Dorothy Jones, Librarian.

The Library has some added attractions of posters and pictures placed around the room and books of all descriptions fill the book cases.

The Parent Teacher Association is furnishing subscriptions to the following popular magazines: Flying, Popular Mechanics, Popular Science, Seventeen, Rotarian, Nation's Business, Glamour, Profitable Hobbies, Ladies' Home Journal, Time, The Lion, Today's Health, Florida Cattlemen, Home Companion, Friends, Better Homes and Gardens, Photography and many others.

**Junior Red Cross**  
Frances Sloan was elected Red Cross president at a meeting held recently. Other officers were vice president, Janet Waddell; secretary, Mary Claire Crider; treasurer, Margene McSwain; reporter, Connie Pursley.

A letter thanking the council for a gift box sent to Germany was read and inspired the members to do more of that kind of work in the future.

Officers of the Council, accompanied by Mrs. Ruth Langworthy, their sponsor, attended a county meeting in West Palm Beach and the group was urged to get high school students to join the Red Cross Disaster Disaster Committee. This is a new organization where students go through training period and learn to help or assist in taking care of people during hurricanes or other disasters. The next meeting will be held at St. Ann's High School, West Palm Beach on November 2.

**School Newspaper**  
The Ramrod News was the name the Juniors chose for their newspaper, which came out Friday, Oct. 8. This was the first edition and was a huge success. The Juniors were congratulated on their fine work by many of the Seniors. The staff was up at the school until 12:00 p. m. Thursday printing the paper.

The Ramrod News has some

novelty drawings on the cover, along with all the news, the top ten songs, snapper recipes, jokes and ads.

The paper staff would like to thank all the wonderful people who gave them ads, and those who helped them put out the paper. The next edition will be out on Friday, Oct. 22.

**P. E. Club**  
At the Physical Education Club meeting Thursday night, Joyce Burke was elected president. Other officers elected were: Jean Johns, vice-president; Claudia Phelan, secretary; Joan Johns, treasurer; and Renee Mills, social chairman.

The girls had a session of basketball at the meeting and also discussed setting up a constitution. Any girl interested in joining the club must contact Miss Cynthia Slater.

All of the girls in F.H.A. were urged to bring their friends to the meeting held Monday night, Oct. 11.

The purpose of the meeting was to explain to the Mothers and the new members what F.H.A. is. There was a short business meeting and those elected to run for district officers were: Kay Young, president-elect; Louise Stroble, vice-president in charge of recreation; Aileen Hemphill, secretary-elect; to Margaret Parnon, treasurer-elect. The district election is to be held in Ft. Lauderdale. The three girls elected to sing in the district choir are: Karin Allison, Peggy Zielem, and Louise Crosby.

**A 4-H Club meeting** for the election of officers was held on Thursday, Oct. 8. Those elected were: Dorothy Irvin, president; Aileen Hemphill, vice-president; Jeannette Waddell, secretary; Miriam Rodriguez, treasurer; and Bunny Withers to council delegate. Mrs. B. Q. Waddell, the local leader was also present at the meeting.

**Junior Team Loss**  
To Seacrest 7-0  
Seacrest scored seven points in the third quarter of the Junior Hi game Tuesday night with the only touchdown scored by Seacrest's left half-back around their right end.

The Seacrest players out-weighted the Belle Glade 15 pounds. Earle Williams was one of the Baby Rams best defensive players. Coach Godwin has high hopes for Jimmy Webster playing quarterback in coming games. He received injuries and has missed out in some plays.

The boys, however, have shown a lot of improvement since the Pahokee game, but probably not enough to win.

## National Nurse Week Oct. 11-16

By act of Congress and Presidential proclamation, this week, October 11-16 is National Nurse Week.

There is perhaps no professional group more respected and more beloved in the public mind — and at the same time, more sentimentalized and more maligned. The Women in White, the Angel of Mercy, the Hard-boiled Harpy? Who is she? If you'll pause a moment to remember, but doubt you will know her. Every day one out of every 60 Americans needs a nurse.

She is the hospital nurse, the school nurse, the nurse in the factory, the public health nurse, the nurse on the frontlines wherever there is war or disaster.

She is patient, kind, clear-thinking, courageous, methodical, skilled. She is a worker trained in the techniques of restoring and maintaining physical well-being — of sanitation, nutrition, psychology, and a whole battery of modern medical routines, as well as bedside care. She is an essential element in any program fostering the health and physical welfare of the American people.

Let us honor the nurse, then, not as the cardboard figure of recruiting posters, but as one of us who is trained to work for health in our community. Let us remember the nurses' daily contributions to the health and welfare of our own families and the families of our neighbors. Let us join with them to renew and extend the ranks of nursing through bringing more young people into their profession, to support both the aims and the costs of nursing services and nursing education in our own community, to make good nursing care available to all of the people of all the time.

### Annual WMU Meet Held At West Gate

The annual District meeting of the Women's Missionary Union was held at West Gate, Thursday featuring an all day event and election of officers.

Mrs. Walter Schlechter was elected vice-president. Mrs. Mills Byrom, secretary and Mrs. U. W. Malcolm, Young People's Leader of the Lakeside area.

### NEXT WEDNESDAY IS FAMILY NIGHT AT METHODIST CHURCH

Wednesday night, October 20, "Family Night" at Community Methodist Church, and a covered dish supper will be served. Following the supper a motion picture entitled the "Korean Victory" depicting the terrible plight of the Korean people and what happened to the Methodist Church during the Korean War will be shown. Bring the family and enjoy an hour of fellowship and a very good film.

### Area Den Mothers Training Course

Three will be a Cub Scout Den Mother's Training Course Saturday afternoon for all mothers in the Glades area, beginning between 2:30 and 3:00 clock at the Community Methodist Church under the supervision of George King, assistant district commissioner. He will be assisted by Dick Hodges, local Cub Scout master, Henry Spielman, III and Bill Wetters from Pahokee.

Fathers interested are also invited to attend. A large number of parents from Pahokee district is expected to attend and mothers from Belle Glade are urged to come out and join in training, as cub scout den mothers are badly needed.

The meeting will be divided into two sections with movies being shown and course of instruction given. Mothers who have not registered their boys may do so at this time.

For further information call George King, 327 or Dick Hodges 2980.

### GIRL SCOUT NEWS

The Fourth grade Brownies met with their leader, Mrs. Peter LeChanne and co-leader, Mrs. Dorothy Shuts at the Scout Hut on Monday afternoon at 3 o'clock for their first meeting of the school year.

Plans were discussed for the year and the group made pumpkins and other decorations for the candy booth they are co-sponsoring with the BPF Club at the Halloween Carnival.

Present were Margo Averill, Frances Ball, Mary Lou Raulston, Margaret Thames, Pat Webster, Barbara Wolfe and Beverly Code. Next week the membership is expected to be larger as some of the brownies were unable to attend.

### Episcopal Youth To Receive Communion

Next Sunday the members of the "Young People's Service" of the Episcopal Church of St. John the Apostle will receive Holy Communion in a body. Corporate Communion will also be received at the same service by the Confirmation Class of 1953.

This was the first class ever to receive the Sacrament of Confirmation in Belle Glade under the Rite of the Episcopal Church. The members of the class were Mrs. R. L. Arnold, Tom Chappell, Mrs. N. L. Dalrymple, E. M. Lively, Jr., Mrs. E. S. Roberts, Jeanette Williams, Martha Patricia Williams, L. S. Williams, Jr. They were presented by Father John Clarence Petrie, vicar of the mission, to the Rt. Rev. Henry I. Louttit, D.D., bishop of the diocese of South Florida.

### Churches of Christ, Scientist

How spiritual understanding of man's scientific unity with God overcomes fear and establishes harmony will be brought out at Christian Science services Sunday.

Lesson—Sermon entitled "Doctrine of Atonement" includes the following passages from the Bible (Psalms 31: 15-17):

"O Lord, open my lips; and my mouth shall show forth thy praise. For thou desirest not sacrifice; else would I give it; thou delightest not in burnt offering. The sacrifices of God are a broken spirit: a broken and contrite heart, O God, thou wilt not despise."

From "Science and Health with key to the Scriptures" by Mary Baker Eddy the following selections will also be read (302:3): "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done."

The Golden Text is from 1 John (2:1): "If any man sin, we have an advocate with the Father, Jesus Christ the righteous."

### Sunday School News

In the Department At First Baptist

"Getting acquainted with our lesson books" was the subject of the program on the subject of "Getting acquainted with the Junior Department" in the Jr. Sunday School of the First Baptist Church, James 1:22 was the Scripture for the morning and was read by the assembly as the motto for the department. Those assisting in the program were Sally Collier, Michele Penaltion, Larry Griffin, Roy Hayes, Bill Weeks, Kenneth Royson and Willie Mills. These Juniors, who are members of the 9 year classes, ask questions concerning the Sunday School quarters which were answered by the assembly. Susan Clark was assistant pianist and ushers were members of the 12 year boy's class.

### Father Petrie To Attend Conference

Father John Clarence Petrie, vicar of St. John the Apostle Episcopal Church, Belle Glade, will attend the clergy conference next week, Tuesday through Friday, at Camp Wingman, Avon Park.

The weekly banner for the highest grade noted to the class of Mr. McAllister's 8 year boys. Mr. Jack Little's class of 11 year boys rated second and Mrs. Josephine Harty's class of 9 year girls rated third.

### SABBATH SCHOOL LESSON FOR OCTOBER 17, 1954—BASED ON THE INTERNATIONAL BIBLE LESSONS FOR CHRISTIAN TEACHING

SUBJECT—The Way of Wisdom—Prepared by Bob Lanier

Scripture—Proverbs 3:1-6; 4:10-15, 18-19

To begin with let us consider today that a proverb is a "wise saying." The book of Proverbs deals with wise sayings of men of old and of Israel. Many of the proverbs in the Old Testament bearing this name were, no doubt, those sayings of Solomon, but it is generally agreed that this book in the Bible was written by wisdom sayings of several of the Hebrew people. For the next several Sunday's our lessons, will be centered in this book, and everyday living will be enhanced much more if we would all heed the words of wisdom spoken thousands of years ago. As an example "The Fear of the Lord is the beginning of wisdom" (1:7). In other words, the reverence and awe of God, if we would all heed the words of wisdom spoken thousands of years ago. ## TODAY'S meditation

Read Hebrews 10:19-25  
Let us consider one another to provoke unto love and to good works: not forsaking the assembling of ourselves together, as the manner of some is. (Hebrews 10:24, 25.)

In one of our villages, we have a believer who is a very old woman. In spite of her age, she goes many times to our church, about fifteen miles from her home. I can see her now as she goes with her rod in hand. She has no means of transportation. She leaves her house on Saturday and returns on Monday. She spends three days on the way to hear the Word of God.

Likewise our faith and our love for Christ require outward expression. Do not half empty churches reveal the lack of genuine love in the spiritual life of the members?

In her faith and love, this poor woman is like that poor widow of nearly two thousand years ago. The examples of both women stand as accusations against those who infrequently or never find their place in the assembly of believers.

### PRAYER

Our heavenly Father, Thou dost see our feeble faith and our poor love toward Thee. Give us more power from Thee that we may be on our feet better witnesses to Thy love. As Jesus taught His first disciples to pray, we also say, "Our Father who art in heaven."

### THOUGHT FOR THE DAY

"It was glad when they said unto me, Let us go into the house of the Lord."
